MTOUCHE TECHNOLOGY BERHAD	
WHISTLE BLOWING POLICY	Page 1 of 3

A INTRODUCTION

Whistle blowing policy is a policy to encourage and enable employees to raise serious concerns within the Group (mTouche Group of Companies) rather than overlooking a problem or 'blowing the whistle' outside.

Employees are often the first to realise that there is something seriously wrong with the Group. However, they may not express their concerns as they feel that speaking up would be disloyal to their colleagues or to the Group. They may also fear harassment or victimisation. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.

The whistle-blowing policy is intended to encourage employees to raise genuine concerns about possible improprieties in matters of financial reporting, compliance and other malpractices at the earliest opportunity, and in an appropriate way.

This policy is designed to:

- support the Company's values;
- ensure that employees can raise concerns without fear of reprisals; and
- provide a transparent and confidential process for dealing with concerns.

This policy not only covers possible improprieties in matters of financial reporting, but also:

- fraud;
- corruption, bribery or blackmail;
- criminal offences;
- the unauthorised use of company's funds;
- conduct which is an offence or a breach of law, rules and regulations;
- failure to comply with a legal or regulatory obligation;
- miscarriage of justice;
- endangerment of an individual's health and safety; and
- concealment of any or a combination of the above.

This policy also does not replace other corporate complaints procedures which are for public use.

B. PRINCIPLES

The principles underpinning the policy are as follows:

- all concerns raised will be treated fairly and properly;
- the Company will not tolerate harassment or victimisation of anyone raising a genuine concern;
- any individual making a disclosure will retain anonymity unless the individual agrees otherwise;
- the Company will ensure that any individual raising a concern is aware of the procedures in handling the matter; and

APPENDIX D	
MTOUCHE TECHNOLOGY BERHAD	
WHISTLE BLOWING POLICY	Page 2 of 3

- the Company will ensure that no one will be at risk of suffering some form of reprisal as a result of raising a concern even if the individual is mistaken. The Company, however, does not extend this assurance to someone who maliciously raise a matter he/she knows is untrue.

C. UNTRUE ALLEGATIONS

If an employee makes an allegation in good faith, but the allegation is not confirmed by the investigation, no action will be taken against the employee. If, however, an employee makes an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against the employee.

The employee must:

- disclose the information in good faith;
- believe it to be substantially true;
- not act maliciously or make false allegations; and
- not seek any personal gain.

D. CONFIDENTIALITY
